

PRIMA PRINCIPIA UNIVERSALIA OM- NIUM

The Book of Universal Truths

Toposopher

HEREIN ARE THE UNIVERSAL FIRST PRINCIPLES—TRUTHS THAT A MAN MAY LEARN AND REST CONTENT IN. THEY ARE THE FOUNDATIONS OF EVERY HUMAN ENDEAVOUR, FROM PHILOSOPHY, LOGIC, AND THE EXACT SCIENCES, THROUGH NATURAL PHILOSOPHY AND THE ARTS OF SOCIETY, UNTO THE WORKS OF ENGINEERING AND THE TECHNOLOGIES OF GALACTIC CIVILIZATIONS YET TO BE. WHAT FOLLOWS SEEKS NOT THE HUSK OF WORDS BUT THEIR INWARD MEANING; NOT EMPTY SYMBOLS, BUT THE TRUTHS THEY BEAR. THE RIGOUR IS OF HUMAN UNDERSTANDING, NOT OF THE MACHINE. WHAT YOU HOLD IS THE BOOK OF EVERYTHING—NOT ALL THAT MAY BE SAID, BUT ALL THAT MAY BE KNOWN TO BE TRUE.
